Re: EPB Permit Application #2023-09
12 Walter Lane

Per your request for comments to the above referenced project. The Stamford Health Department has reviewed the plans titled "Residential Improvements prepared for Chailin Barroso and Juan Antonio Castro", submitted by D'Andrea Surveying & Engineering, PC, dated 6-9-23.

Review of the above referenced property and information on file with the Stamford Health Department records has revealed the following:

- The above property is recognized as currently served by a municipal sewer.
- The above property is recognized as being served by municipal water.

The Stamford Health Department currently has no objections for the consideration of this proposed work.

Should you have further questions or comments regarding this matter, please feel free to contact Joshua Polur, Inspector II at 203-977-5569.
