Replacement of Bridge No. 04069
Lakeside Drive over North Stamford Reservoir
City of Stamford Environmental Protection Board
Application for Permit to Conduct Regulated Activities

I hereby certify that the proposed replacement of Bridge No. 04069 (CTDOT Project No. 0135-0343) will not reduce the water holding capacity of the floodplain, as defined on the Flood Insurance Rate Map (FIRM). The proposed project meets the compensatory storage requirement of the City of Stamford Flood Prone Area Regulations.
