Replacement of Bridge No. 04069
Lakeside Drive over North Stamford Reservoir
City of Stamford Environmental Protection Board
Application for Permit to Conduct Regulated Activities

I hereby certify that the proposed replacement of Bridge No. 04069 (CTDOT Project No. 0135-0343) will not cause an increase (0.00 feet) in water surface elevation of the calculated base flood (approximate FEMA Flood Zone A) within the floodplain as compared to existing conditions.
