**Director of Health Report**  
Ms. Jody Bishop-Pullan

- Ms. Parry asked if the Inspection team conducted an inspection to confirm no one was living in the basement/cellar area and locks were on the doors.
  - Environmental Health division is significantly understaffed. Interviews have begun to fill the Inspector I position.
  - Inspections continue. Weights & Measures and Refuse truck inspections are currently suffering at this time, due to Mr. Jobe promotion to Director of Environmental Health & Inspections.
  - On January 6, the Assistant State Attorney provided the Inspections team with training to cover the issues and challenges inspectors face regarding Housing. More training to come.
  - Community Nursing has one PHN I vacancy.
  - Flu Clinic will be held on January 22 at the Henry St. Clinic.
  - COVID vaccines are offered at the Henry St. Clinic until 7pm. In December, the clinic saw approximately 100/day, last couple weeks the clinic has seen 50 – 80/day.
  - School Nursing has 2 opened position which we are on the verge of filling.
- This was completed in December 2021.
  - Currently have 8 inspectors and are looking to fill (2) Inspector I positions and (2) Inspector II positions.
  - All ages have access to vaccine boosters.

Mr. Ted Jankowski

**Old Business**  
Follow-up regarding mold at 125 Lawn Ave.

- The Health Department winterized vaccination sites. Currently have trailers for Cummings and Hunts Parks; will be getting a trailer for Scalzi.
- Vaccine rate is very high. Over 85% have been vaccinated for 16 and above. 33% vaccination rate for 5 – 11 age group.
- Ms. Parry asked for an update regarding the Mental Health initiative.
- Ms. Bishop-Pullan met with Vin Tufo who heads the Vito Collaborative, to discuss next steps and planning efforts to move the initiative forward. Ms. Olson has been involved in this initiative.
- Mental Health Collaboration meeting on January 24 at 3pm. Mr. Jankowski invited one member of the Commission to attend the meeting due to limited space.
- Public Safety, Health & Welfare received a \$550,000 grant to be used over the course of 3 years. Looking to increase Social Worker FTEs within the Police Department.
- Dispatch center and first responders decreased response time by 2 minutes because of the use of technology. Will continue to improve technology to decrease the response time.
- Ms. Olson asked where a staff member goes should they need a mask or test in the schools.
- Staff members should go to the school principals.
- Ms. Parry asked for an update regarding the mold abatement.
- Inspector Marjorie Beauchette has been reaching out the Landlord to no avail regarding the compliance of the order.
