February 28, 2022

Mayor Caroline Simmons
City of Stamford
888 Washington Boulevard
Stamford, CT 06904-2152

Dear Mayor Simmons:

Attached please find the proposed 2022-23 Board of Education Operating Budget in the amount of **\$308,193,542**, which represents a **4.98%** increase over the 2021-22 budget.

This growth is driven by increases in wages and healthcare costs, including new positions necessary to support our students and families. We have restored Kindergarten Paraeducators for every classroom, and have included \$1,500,000 for social-emotional support programs as we continue to navigate the COVID-19 pandemic. We have added Special Education teachers and programs, as well as School Psychologists, Speech Pathologists, and Social Workers. We have also included two administrative positions in the Alternative Education program to help create pathways for career connected learning for all. Finally, we have included positions that will help us efficiently implement our Long-Term Facilities Plan.

We are committed to presenting a budget that equals what we believe to be the cost to provide an education that cultivates the productive habits of mind, body, and heart in every Stamford Public Schools student.

We want to thank you and the members of the Board of Finance and the Board of Representatives, in advance, for thoughtfully considering the BOE budget request.

Sincerely,

Jackie Heftman
President, Stamford Board of Education

Dr. Tamu Lucero
Superintendent of Schools

Stamford Public Schools 2022-23 Proposed Budget

Superintendent, Dr. Tamu Lucero
Director of Finance, Ryan Fealey

March 2022

2022-23 Board of Education Budget Request

2021-22 Operating Budget	\$293,586,146
2022-23 Operating Budget	\$308,193,542
Change (%)	4.98%

Budget Priorities

- Social-Emotional Support for Students: **\$1,500,000** is budgeted from ARP/ESSER III for Social-Emotional programs to continue to address the impact of COVID-19 on our students.
- Combating the Academic Impact of COVID-19: **\$1,500,000** (between operating and grants) to add 33 Kindergarten Paraeducator positions (1 Paraeducator: 1 Classroom)
- Special Education Services: **\$2,300,000** for 10.5 Teachers, 2.0 Board Certified Behavior Analysts (BCBA), and additional OT/PT services, Therapeutic classrooms, Music/Art Therapy, and Student Evaluations
- Creating Pathways for Career Connected Learning for All: **\$390,000** for 2.0 Alternative Education Administrators

Operating Budget by Major Object

Major Object	Description	2021-22	2022-23	Variance	Contribution %	Note

STAMFORD PUBLIC SCHOOLS

Board of Education 2022-23 Budget - February 23, 2022

Budget Process

The budget process for the district began in October 2021, with the Superintendent providing general guidelines to all administrative staff to begin developing a budget for fiscal year 2022-23 that addresses program needs in a fiscally responsible manner. The budget would need to provide adequate resources to fund high growth budget areas such as Special Education and Facility Maintenance, as well as social-emotional and operational challenges brought on by COVID-19. Starting in December 2021 with input from Central Staff and Administrators (including principals and assistant principals), the Superintendent's Operating Budget Request was assembled. At the same time, meetings were held with cabinet members to review all areas of the budget, to link budget requests to district goals, and determine priorities for 2022-23. Each program and building was thoroughly reviewed for staffing needs, trends, and alignment with district goals. Finally, in January and February 2022, the Board of Education reviewed the budget and made adjustments deemed appropriate by the Board.

The Board of Education's 2022-23 Operating Budget Request is \$308,193,542, an increase of 4.98% over 2021-22.

Board of Education Goals

Each year, the Board of Education and Superintendent of Schools work to develop Board and Superintendent Goals that support the district's mission. The operating budget and all grant budgets are aligned to these goals:

MISSION OF Stamford Public Schools:

The mission of the Stamford Public Schools is to provide an education that cultivates productive habits of mind, body and heart in every student.

VISION OF Stamford Public Schools:

The Stamford Public Schools will be a learning organization that continuously improves its effective, innovative and transformational teaching and learning. We will challenge, inspire and prepare all students to be productive contributing members of society.

District Strategic Goals

Strategic Goal 1: Learning Organization (Community) – All members of SPS will acquire and apply practices of a Learning Organization to promote a culture of continuous improvement and excellence.

Strategic Goal 2: Habits of Mind – All learners will acquire and effectively apply critical thinking, creative thinking, and self-reflective thinking to be academically prepared for lifelong learning and the world of work.

Strategic Goal 3: Habits of Body – All students will be prepared to lead an active lifestyle and to make healthy choices.

Strategic Goal 4: Habits of Heart – All learners will acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Other Operating Budget Considerations

To support the Board of Education’s goals on the previous page and attend to other factors that influence costs and programs, the following items are included in the 2022-23 Operating Budget:

Budget Development Assumptions

Enrollment

The district’s projection for student enrollment is shown in Section 4 of this document. A bar chart with actual enrollment from 2000-01 to 2021-22 along with an enrollment projection for 2022-23 show the overall trend in enrollment. The projections were assembled with the assistance of SLR Consulting to provide a comprehensive analysis of enrollment trends.

For 2022-23, the total number of students (including in-district, out-of-district, and home instruction) is expected to decrease by -75 to 16,061 students, an decrease of -.46%

Elementary	-	(13)	
Middle Schools	-	(152)	
High Schools	+	90	
All Other	-	0	(Includes Pre-Kindergarten, Out of District, Anchor, IAI)
 Total		 (75)	

Revenue

Included in Section 6 of this document is an estimate of Education Revenues to the Stamford Public Schools and the City of Stamford. The operating budget for the school district in the amount of \$308,193,542 is partially offset by state entitlements (such as ECS) and other revenues that are paid directly to the City. The state entitlements and other revenues are estimated to be \$8,480,840. When these funds are subtracted from the operating budget request, the estimated cost to the taxpayers is \$299,712,702.

Additional funds are obtained directly by the district from Federal entitlement grants, state grants, corporate grants, and private grants. For 2022-23, we have taken a conservative approach when budgeting grants with most grants projected at the same level as 2021-22. Furthermore, reductions have been made in state grants not yet approved for renewal. Our projections for all grants are shown in section 9 of this document.

Grants are usually earmarked for specific purposes and are generally intended to “supplement and not supplant” local operating budget funds.

Program Budgets

Section 7 of this document contains the program budgets of the district. We have continued to simplify the program budgets as much as possible for additional clarity and to make this document more user-friendly.

Salaries and Wages (100)

The salaries and wages included in this budget are based on settled collective bargaining agreements and “best estimates” for unsettled contracts.

Based on the current trend, new teacher positions have been budgeted at \$64,745 plus benefits of \$20,000 and paraeducators have been budgeted at \$26,674 plus benefits.

Additionally, the salary accounts have been reduced by \$3.0m for estimated “vacancy savings” due to staff turnover from retirements and resignations, unfilled positions, and degree level changes. Based on historical trends, for 2022-23 we are predicting 60 resignations, 30 retirements, 8 leaves of absence, and 10 teachers awaiting certification.

Employee Benefits (200)

This portion of the budget includes the cost for employees' medical and dental insurance as well as the employer's share of Social Security costs. For 2022-23, most of the districts bargaining units have health insurance through the State of Connecticut Partnership Plan.

The increase in projected insurance cost is shown in the 202 Health Insurance account. Based on the advice of our benefits consultant, our Medical Insurance cost is expected to increase by 8% and Dental Insurance by 5%. Further details are available in Section 10.

Revenue credits are included in the Board of Education budget for two items: premium cost sharing for active employees and grant offsets to the insurance account for grant funded employees.

The cost of the 230 Pension account is predicted to increase by \$387,000 (10.5%), and the cost of the 231 Other Post-Employment Benefits ("OPEB") account is predicted to decrease by -\$275,661 (-8.3%), based on estimates from the Milliman actuaries.

Educational, Rehabilitative, and Legal Services (300)

This grouping includes outside services, which are primarily rehabilitative and legal in nature. For 2022-23, this group will increase by \$5,293,926, which includes \$4.2m for outsourced substitute staffing services. Costs for substitute staffing were previously found in Object 109 and 119.

The 323 Pupil Services account is meant to cover additional student services that are required by Special Education student's Individual Education Plan ("IEP"). The funding pays for physical and occupational therapy services and other services mandated by IEPs. Students who exceed 4.5 times the average per pupil cost are reimbursed by the State Excess Cost Grant.

326 (Buildings and Grounds) includes \$1.25m for part-time custodians, but \$250,000 of that figure is budgeted to be covered by CARES funds.

Building Upkeep and Repairs (400)

Items in these accounts are slated to decrease by -.6% to cover utilities and deferred maintenance

Transportation, Out-of-District Tuition, and Other Services (500)

This group is primarily composed of the student transportation, insurance, and out-of-district tuition accounts.

The transportation budget was built on the services provided by First Student and ECS Transportation. We are currently running 155 vehicles--additionally, the contractual rates will increase by 1% for Home-to-School service and up to 5% for Out-of-District Special Education transportation.

A portion of the district’s transportation cost is funded through the Magnet School Transportation grant which helps out of town students to attend Rogers International School, Strawberry Hill and AITE.

Property, casualty, and general liability insurance costs are estimated to increase by 29.2% due to increased premiums as per the city risk manager.

The Out-of-District Tuition Account provides funding to other institutions for Special Education students who are required to attend based on their Individual Education Plan (IEP). The law guarantees each Special Education student a “free, appropriate, public education” and because of this, sometimes a school or institute outside the Stamford School District better meets his or her needs.

Over the last two years significant efforts have been made by the district to increase state revenue and reduce expenditures in this account. Although state revenue amounts in this area are not yet known, the district’s assumption in this area anticipates the current payout formula and capping the Agency Placement and Excess Cost Grants at 67% of their calculated funding.

The gross tuition cost is offset by Agency Placement and Excess Cost Grant revenue in the amount of \$4,829,050. The final budget of \$17,056,320 is a decrease of -\$416,699 (-2.38%).

Supplies, Materials, and Heating Fuels (600)

The supply budget for the school system includes both classroom-based consumable supplies and also heating fuels such as oil and natural gas. Each of the schools is given a per-pupil allotment based on their estimated pupils for 2022-23 to cover items such as paper, pencils, copy paper, and textbook replacements.

Items such as textbook adoptions, heating oil, and natural gas are managed and budgeted centrally and not included in the “per student” allocation formula.

	<u>Rate Per Student</u> <u>2021-22</u>		<u>Rate Per Student</u> <u>2022-23</u>
Elementary Schools	\$55.05		\$63.00

**Does not include musical instrument rental, Early College studies or IB program

The “per-pupil” allotment is discretionary funding allocated to each school and managed by the principal based on site needs. The building principals will be able to re-allocate site money via budget transfer. The formula stated above follows a practice adopted in prior years. The allocation of funds based on students allows the schools to fund all basic supplies for regular, Special Education and English Learner students as well as “supply-intensive” subjects such as Art. The district adheres to the practice of “dollars following students” and more or less students may necessitate an adjustment to the budget. We will maintain a margin of +/- 25 students at each building for budget purposes.

Equipment (700)

The equipment account is used to fund purchase of items with a unit cost of over \$1,000 and a useful life of more than one year.

Program Description & Program Goals:

The **Magnet Schools Program** provides a choice of programs at Hart, Rogers (including Strawberry Hill - an expansion of Rogers International School), Toquam, and Westover on the elementary level, Rogers and Scofield on the middle school level, and AITE on the high school level. These programs differ in approach but all use the same standards based SPS curricula in the core areas of English, Math, Science and Social Studies as well as in Art, Music and Physical Education.

To provide educational programs based upon the characteristics and needs of the individual learners.

To expand elementary, middle, and high school programming by providing additional choices.

Program Description & Program Goals:

The **Art Program** provides instruction and hands-on experience that stimulate creativity through studio applications, art appreciation, and aesthetics. The program seeks to convey cultural continuity and to help students analyze, compare, interpret and reflect, using art opportunities to achieve personal satisfaction and to build self-confidence.

To provide a variety of art experiences for all students.

To use these experiences with an appreciation of the contribution of many cultures to the world's artistic growth.

To use art education to foster critical and creative thinking skills.

Program Description & Program Goals:

The **Educational Media Program** provides resources and information that meet the needs of curricula and satisfy the educational needs and interests of students' learning styles. Each Media Center has automated circulation and cataloging functions and research and internet access capabilities. A library media skills curriculum supports classroom and content-related instruction. Educational Media staff include: Media Specialists in every school and Paraeducators assigned exclusively to the Media Center.

To support an environment that ensures that students learn to locate, analyze, evaluate, and interpret information.

To integrate technology into curricula by ensuring that students learn, synthesize, and appropriately communicate information.

Program Description & Program Goals:

The **World Language Program** provides for instruction in modern languages as well as in the classical language of Latin. The program emphasizes communication, understanding, and appreciation of other people's literature and culture. It also recognizes the need for developing speaking competence and proficiency in the language of the student's choice as related to possible career goals. World Language classes are taught according to the Stamford Board of Education and State of Connecticut curriculum guidelines to assure that students learn the skills and concepts related to communications, cultures, connections, comparisons, and communities.

To assure that students will acquire a level of proficiency in the world language that will enable them to communicate effectively with a native speaker in daily life situations.

Program Description & Program Goals:

The **Mathematics Program** is the language of data, of change, and of patterns and is essential for analyzing and solving problems. The Mathematics Program prepares students to "speak" this language; the only language that is common throughout this world. It prepares students to proficiently apply a range of numerical, algebraic, geometric, and statistical concepts and skills which they will need to use daily throughout their lives. The Mathematics Program is aligned with the Connecticut Core State Standards.

To develop both problem-solving and critical-thinking skills in students.

To develop mathematically-based reasoning skills in students.

To prepare students for life in a technological society.

Program Description & Program Goals:

The **Social Studies Program** includes the study of history, civics, world cultures, geography, economics, and political science. Social Studies includes content knowledge of democratic beliefs and values, and the skills of citizenship. The SPS Social Studies Program is based on the Connecticut Social Studies Curriculum Framework, the National Council of Social Studies Standards, and the Connecticut Core State Standards.

To develop knowledge of the historical past and present and an understanding of the institutions and values associated with the government and peoples of the United States and the world communities.

To develop a commitment to democratic values.

To teach children how to inquire, organize, synthesize, and apply information using state and national standards.

Program Description & Program Goals:

The Stamford Public Schools has made a significant commitment to providing a consistent **Summer School Program** in Grades PreK-12. The program directly relates to district goals to address the achievement gap and increase the meaningful engagement of all families and the community. Partnerships with community agencies have resulted in services that align academic instruction with recreational activities. Academic subjects as well as non-academic subjects will be offered to high school students based upon courses needed for graduation and the number of students needing specific courses. Students will be taught an academically rigorous curriculum in all subject areas.

To provide instructional initiatives that support and remediate the learner.

Provide limited support for high school students to meet graduation requirements.

Program Description & Program Goals:

The Stamford Regional **Agriscience and Technology Program** at Westhill High School is a regional school that offers enrollment to students in Stamford, Norwalk, Greenwich, Darien, Ridgefield, New Canaan and Weston. This program follows the three circle model of agricultural education which includes classroom instruction, FFA, and SAE (Supervised Agricultural Experience). Students are required to participate in all three components to remain enrolled in the program.

Our classroom instruction is focused on hands on learning, real world experiences and covers a variety of areas in the agricultural field including animal science, plant science, biotechnology, environmental science, food science, aquaculture, marine science, and agricultural business.

The National FFA Organization is the Nation's largest Youth Leadership Organization. Agriscience students are required to become members of the FFA and attend monthly chapter meetings as well as participate in annual plant sale fundraisers. Student run chapter meetings foster leadership skills and career exploration through presentations from various professionals in the Agriscience field. FFA members have many opportunities to attend field trips, network with other students, gain leadership skills, and compete in Career and Leadership Development Events. The FFA is an intra-curricular program that promotes premier leadership, career success, and personal growth.

The last component of our program SAE, or Supervised Agricultural Experience, is a required component of a total agricultural education program and intended for every student. Through their involvement in the SAE program, students are able to consider multiple careers and occupations, learn expected workplace behavior, develop specific skills within an industry, and are given opportunities to apply academic and occupational skills in the workplace or a simulated workplace environment. Students complete required SAE hours outside of class time, and in doing so apply what they are learning in the classroom as they prepare to transition into the world of college, and career opportunities.

To provide practical and useful skills relating to the selection, planting, and care of plants.

To provide practical and useful skills relating to animal husbandry.

To develop the communication and critical thinking skills needed to make informed decisions, and promote awareness on environmental issues and topics.

To recognize, use, maintain and follow the safety procedures of agricultural equipment.

To develop the necessary skills to implement biotechnology applications in the field of Agriscience.

To develop marketable skills in the field of agriscience.

To develop critical thinking skills needed to create future leaders.

Program Description & Program Goals:

The **City Information Technology Department** maintains and supports the current technology which includes existing network infrastructure, computers, telephone, email, curriculum and administrative software, and internet service as set forth by the Office of Curriculum and Instruction.

The City's Technology Management Services Department also provides services and resources to the Board of Education that help them implement innovative solutions, increase efficiencies and improve the overall educational experience within the Stamford Public Schools.

We are currently supporting approximately **6,465** computers in the school system as well as supporting **3,966** Apple iPads and **8,716** Chrome books.

To provide computer-based support for all other instructional programs.

To allow and encourage all students and staff to use the computer as an integral part of their education experience.

Program Description & Program Goals:

The International Baccalaureate® (IB) programmes aim to develop inquiring, knowledgeable and caring young people who are motivated to succeed. Within the attributes of the IB learner profile, students are encouraged to become part of the global society who will build a better world through intercultural understanding and respect. The IB Program is offered at Rogers, Strawberry Hill, Rippowam and Stamford High.

The IB programme frameworks operates effectively within the Common Core State Standards (CCSS), State and District goals in that it is a philosophy of teaching and learning, not a curriculum. The philosophy centers around the IB learner profile and:

- encourages students of all ages to think critically and challenge assumptions
- incorporates quality practice from research and our global community of schools
- encourages students of all ages to consider both local and global contexts
- develops multilingual students.

Program Description & Program Goals:

The **English Learners Program** includes the following:

Bilingual Education - The Bilingual Program is a state-mandated program designed to help the Haitian and Spanish speaking students who are English learners to achieve academic success in the classroom. The program offers students intensive training in English while providing the subject matter instruction in the native language. The goal of this program is for all students to attain proficiency in English.

English as a Second Languages - The ESL Program is designed to enable students from diverse linguistic and ethnic backgrounds to acquire the English communication, academic, and social skills necessary for successful participation in the mainstream classrooms.

New Arrival Centers - Located at Davenport, Toquam, Scofield and Stamford High to help acclimate new students to Stamford and the U.S.A. The program delivered in the target language of English. It provides students with an intensive English Language course of study including: beginning English skills, acculturation within the school environment and community, and instruction in core academic content areas.

Program Description & Program Goals:

Stamford has a ten member Board of Education. Nine members are elected to 3-year terms. The 10th member is the Mayor who is a non-voting member. As required by State Statute and City Charter, the Board oversees Public Education. The Board's major duties are to set policies concerning educational, organizational, and financial matters; to monitor and evaluate administration policies; and, to recommend annual operating and capital budgets to the City. Board meetings and committee meetings are held monthly. Included in this program are legal, professional, and technical services utilized by the Board of Education as well as dues and fees payable to the Connecticut and National School Board Associations.

To oversee public education in the City of Stamford.

To increase academic achievement.

Program Description & Program Goals:

The district's **Facilities Department** currently supervises the operation and maintenance personnel of the district including: custodians, mechanics, truck drivers, and clerical staff. It is the responsibility of the Facilities Department to prepare capital budgets, administer operating budgets, prepare bid documents, and supervise outside contractors. It is the function of this department to recommend to the Purchasing Department all items that need to be bid and purchased. This department supports the operation of 21 buildings.

To promote a positive school environment.

To maintain safe and orderly school buildings.

To keep school buildings clean and well maintained.

Program Description & Program Goals:

The **Research and Development Office** collects, describes, monitors, and interprets statistics relative to enrollment, attendance, achievement, facilities, staffing, and budget. In conjunction with the Office of Curriculum and Instruction, this office manages district-wide testing and evaluates educational programs.

To provide comprehensive, reliable, and relevant data to the school district to promote effective decision-making and accountability.

Program Description & Program Goals:

School Management Services provides the support necessary for the operation of individual schools.

Responsibilities include: pupil welfare, instructional leadership, parent and community involvement, staff selection, supervision and evaluation. This program provides funds for principals, assistant principals, administrative interns, school clerks, and security workers salaries in the school buildings. Funds for supply items necessary to manage specific schools are also included in this program.

The program is designed to provide the necessary administrative services for the operation of each school.

Program Description & Program Goals:

The **Transportation Program** is responsible for the safe, efficient, and economical transport of those students eligible and enrolled in our educational programs.

First Student Inc. is the primary vendor and currently provides the school system with 155 buses daily. Transportation is currently provided to high school students attending the vocational and technical centers. Generally students remain on the bus no longer than 50 minutes, and all attempts are made to provide routes so as to promote the shortest possible distance between home and school. The Office of Transportation continues to institute a computerized route system to enhance the program.

The estimated number of buses daily for public transportation will be 160 for 2020-21.

To provide safe, efficient, reliable, and economical transportation for the students of the Stamford Public Schools.
