TO: Members Board of Finance

Fiscal Committee of the Board of Representatives

FROM: Alfred C. Cava

DATE: March 22, 2022

SUBJECT: Human Resources FY 22/23 Operating Budget

The highlights of the Human Resources FY 22/23 operating budget are as follows.

Changes from previous year:

The Human Resources operating budget for FY 22/23 is slightly less from what is projected for FY 21/22 fiscal year expense (-\$72,861 -2.5%); although a slight 1.3% increase (\$36,826) over the adopted FY 21/22 budget. We are not requesting any new programs or initiatives for FY 22/23.

Three classifications were updated during FY 21/22 to reflect the actual duties being performed by the incumbents in the positions (two positions of Principle Human Resources Generalist, one position of HR Info Systems Manager and one position of Employee Benefits Administrator). The classification changes have been approved by the Personnel Commission.

The testing budget line has been reduced by \$155,910, which represents the cost of police promotional testing, as that testing is currently being administered during the current fiscal year. Police promotional testing will next occur in FY 23/24.

City of Stamford Leadership and Training Institute

Last year we received \$70,000 initial funding for training administered through the newly created City of Stamford Leadership and Training Institute. We are requesting an increase of \$15,000 for FY 22/23. The additional funding will permit the expansion of training opportunities for city leaders, managers and future supervisors including diversity,

equity and inclusion training. The following is a summary of the training activities and number of employees trained during the current fiscal year:
