Re: Stamford Community Development Office – Annual Action Plan for Year 48 (July 1, 2022 – June 30, 2023) for the use of Community Development Block Grant, HOME Investment Partnerships Program and Community Development Block Grant COVID CARES Act funds

In accordance with the City of Stamford Code of Ordinances Sections 13-3 and 13-4, concerning budgetary procedures for Stamford Community Development, I hereby submit the Community Development Budget (Annual Action Plan) to the Board of Finance and Board of Representatives for review and approval. This budget was developed in cooperation with the Housing, Community Development and Social Services (HCD/SS) Committee of the Board of Representatives. Public Hearings regarding the proposed use of these federal funds were held January 25th, March 9th, with an additional hearing to be held on April 26th.

In addition to the Annual Action Plan (AAP) for the use of federal HUD entitlement funds, enclosed is a resolution for the Board of Representatives authorizing the Mayor to submit the necessary documents to HUD for the City of Stamford to receive this funding.

I ask that the Board of Finance consider this item at their April meeting and that the Board of Representatives consider this at their May meeting.

Cc: Emily Gordon, Director of Housing and Community Development
