<p>Director of Public Safety, Health, and Welfare Mr. Ted Jankowski (Not present)</p> <p>Old Business: Mental Health Crisis Update</p>	<ul style="list-style-type: none">• As per CT State DPH, COVID-19 testing and vaccination programs will be ending June 30, 2022. However, this has been threatened before and funding has been restored before so there is likelihood that funding may be restored this time, as well.• Moira is collaborating with community partners for substance abuse education.• Emergency Preparedness – Brittany received a \$50,000 grant for MRC, training, and a coordinator.• Accreditation – Necessary documents (Community Health Needs Assessment, CHP, and strategic plan) are outdated and require updating. Funding will be via a Per Capita grant. • Not available to give a report. • Youth mental health alliance – VITA and community health partners have formed many different working groups with various areas of expertise. The Collaborative met with the Superintendent of Schools and the Director of Family Centers to get a school based health center in Anchor School and Toquam School. • There was a report published in the Advocate newspaper that stated eight schools don't provide sufficient mental health services.
