What are you buying? (attach additional sheets if necessary)

Construction services subcontracted through construction manager, Pavarini Northeast, to build the SoundWaters Harbor Center, located in Boccuzzi Park.

For bid waivers requested per Section 23-18.3B(1)(a), (b), (c) or (d) – is this the lowest cost/most cost effective provider? If not, why were they selected? (attach quotes or proposals - attach additional sheets if necessary)

What is the justification for a bid waiver? (attach additional sheets if necessary)

SoundWaters is providing over 90% of the funds for the project. Bidding out the construction would not have changed the amount of the City's capital contribution.

I, the undersigned, hereby certify that this request is made in full compliance with Article II, Sec. 23 (Rev. 2014) of the Stamford Code of Ordinances, that the funding for this request has been duly appropriated, that the above justification/information is accurate and complete to the best of my knowledge, and that I have no personal or business interests relative to this request.

Attached hereto is the above referenced requisition together with an appropriate explanation. I attest that it is in the public's best interest to waive the competitive process and your authorization is hereby requested.
