**SUBDIVISION:**

**SUBDIVISION REGULATIONS:** The existing Subdivision Regulations were adopted in 1988 with minor amendments in 2010. Over the last 30 years, numerous Federal policies (i.e. ADA and MS4), State court cases and local Charter amendments (i.e. the Harbor Commission) and other court cases relating to subdivision regulations have occurred. The purpose of this proposed overhaul of the Subdivision Regulations is to bring them up-to-date.
