2. All youth and adult leagues/programs and any organized use must be sanctioned and pre-approved by the Parks & Recreation Internal Committee for use of park fields. All youth leagues must be affiliated with a national and or state sport's governing body/organization.
3. Any significant additions (such as new divisions or teams) to an existing a sanctioned league must also be approved by the Parks & Recreation Commission.

(See section 4 on tournament play and section 2 on camp/clinic rules). 11. Definition of a League – A league for youth or adult sports must consist of a minimum of four (4) fully formed teams. All current Sanctioning policy applies.

Allocations & Scheduling

Fields are initially allocated during the **Annual Field Allocation Process**.

Requests for additional use of fields after the Field Allocation period will be addressed on a first-come, first-served basis. Only the Sanctioned Users (see Sanctioning Policy pg.17) listed on the City's field rental

account will be allowed to book fields for their affiliated organization. Sanctioned organizations must designate in writing one contact person for the field allocation process. Coaches or other individuals must receive permission in writing from such league allocation designee to book fields for the organization, or under the organization's name and present such to the Recreation Department.

Fields shall be assigned based on the **Field Allocation Priority Classification** and the **In-Season Priority Schedule**. If two or more user groups fall equally within the same classification, the City of Stamford will consider the following factors when allocating fields: percentage of Stamford residents in the organization, size of the organization, and number of field hours requested, returning events / tournaments, and performance history.

Tournaments or events that have been occurring on a specific date or weekend for three years or more will be given priority; the dates and tournament rental request must still be submitted. Due to space limitations regarding parking and spectator capacity, softball tournaments and soccer tournaments may not be booked simultaneously.

The City reserves the right to cancel any event as deemed necessary for the safety of all participants and in the best interest of the sports park. All first-come, first-served field reservations and all field prep requests must be submitted and paid for by 12:00 noon on the Wednesday prior to the rental. Schedules for the upcoming week are finalized at this time and no further changes will be made to the schedule. **Submission of an application does not guarantee that the rental request has been authorized.**

Facility Use Permits

Permitted hours of use must include set-up and clean-up time. Users may not access field prior to their permitted rental time, and the field must be vacated at the time specified in the Facility Use Permit.

Field users must have a copy of their Facility Use Permit on hand during each rental and must be prepared to present it to City staff on demand; electronic versions are acceptable.

Field users without permits may be asked to vacate the field (see **Rules of Conduct**).

Permission for activities beyond the scope of normal league play (practices or games) must be requested in writing at least 20 days in advance, and approved activities must be listed on the Facility Use Permit (see **Special Permits & Requests**).

Use of Stamford Park Fields is **by permit only**. No drop-in organized use is permitted. The City reserves the right, on a case-by-case basis, to add conditions or modifications to the Facility Use Permit. The Facility Use Permit includes all approved days and times. Not all requests can be granted. Please check your permit carefully prior to scheduling practices and games. **Reservations may not be transferred, assigned, or sublet.**

Requests for field allocations will not be considered if unpaid or overdue balances exist on the user's account.

Proof of Non-Profit Status

All adult sanctioned leagues are required to have a nonprofit status to obtain a field permit

An organization's non-profit status must be on file and current in order to qualify for a non-profit priority classification. An organization must demonstrate its non-profit status by: Being registered as a non-profit business or corporation with the a National or State body/organization **or** an acknowledged IRS 501(c) organization, and maintaining good standing (business entity status "active") with a National and/or State body/organization. This is applicable to both youth and adult athletic leagues only.

Commercial Status:

Any type of athletic camp, clinic, showcase etc., whether non-profit or commercial, is not permitted unless under an approved revenue sharing contract with Recreation Services. Non-sanctioned or commercial organizations that want to use City fields for camps and clinics must submit a written request to the Superintendent of Recreation. Insurance is required in the amount of one million in liability (see attached) and organizations must partner with the City (Recreation Services) to utilize park fields or City gym, and pay a 25% administrative fee based on total registration revenue collected. In turn, the organization will receive use of the field or facility, registration processing, accounting of fees and advertising from Recreation Services.

Organizations who are non-sanctioned or of a commercial nature, and do not want to partner with Recreation Services may rent City school field or gym. Contact the Board of Education at 977-4525 for information.

Sanctioned organizations must follow the same rules to host camps or clinics as outlined in Commercial status above.

Verification of Stamford Residency

Residency percentages will be established using rosters from the most current or prior season. Rosters must be submitted with the initial field request and must include the head coach's full name, home address, email address, phone number, and each youth participant's full name, home address, and phone number.

Cancellation & Refund Policy Any requested cancellations or changes made to the Facility Use Permit must be submitted in writing to the Stamford Recreation Services Division.

Tournaments & Camps/Clinics: Cancellations made a minimum of 10 days prior to the start of the tournament/camp/clinic will receive a full credit of rental fees. Any cancellations requested less than 10business days in advance will not receive any credit of fees.

If an event is cancelled after it has started due to rain or inclement weather conditions, the base rental fee will be pro-rated to the percentage of games played, less 10% of the whole (e.g., if 70% of games were played, 60% of fee base would apply). All maintenance and light charges will apply for the time period that the fields were in use. Credits/refunds will not be issued for unused hours that were not caused by rainouts or inclement weather.

Hours of Use

Soccer games may be scheduled Sunday through Saturday from 9:00 am until Dark. Softball and baseball games may be scheduled Sunday through Saturday from 9:00 am until 10:00 pm and Cubeta Stadium hours are 9am- 11pm. Fields may be accessed upon completion of field preparations and approval of City staff, but games cannot begin before 9:00 am. Teams and players may not be on the field at any time during field preparations or maintenance.

Notice of Non-Use of Field

Field users must notify the Recreation Services Division to report any reserved time that can be released to other groups. Continued non-use of a rented, permitted field **may result in revocation of the permit** of the allocated field.

Rainouts & Inclement Weather

In the case of active rain, all fields are closed during the time of actual rain; the fields are then reassessed once the rain has ceased. On occasion, on a non-rainy day, staff will determine a field to be closed based on excessive rains during the previous day(s), which have left conditions unsafe for use, even though the rain has stopped. Fields may be closed due to frost or other conditions that may damage the turf or playing surface. Play may be suspended due to excessive heat.

Weather/Field Condition Hotline: (203) 977-4641, notifications will also be posted on Stamford Recreation Services website: www.stamfordrecreation.com and on the Facebook Stamford Recreation (typically updated by 3 pm each day)

Subleasing of Fields

When permits are issued, a specific field(s) is reserved for the user, to the exclusion of others. Groups **may not** assign nor rent their scheduled time to other groups. Any such action **will result in the loss of rental/allocation privileges**. Recognizing this exclusivity, groups should only reserve the fields they intend to use.

RULES OF CONDUCT

Cooperation with City Staff and Other Field Users

All teams must engage appropriately with staff and with one another, and not interfere with the use of fields by other user groups. Refusal to comply with City staff instructions may result in a directive to vacate the field. These actions will be documented in the renter's file, and may result in disciplinary action. Police enforcement will be called upon should any individuals or groups engage in verbal or physical violence.

Good Neighbor Policy

Please arrive quietly and depart in the same manner to avoid disrupting the neighborhood especially after the late games. Balls and /or any other equipment thrown, batted, kicked, or otherwise propelled that land on private property are not to be retrieved without permission of property owner. Do not climb walls or enter gates to gain access onto private property. Put all garbage and recyclables in the bins provided, and please **DO NOT LITTER!**

Inappropriate Behavior

Any type of indecent exposure including public urination or any other inappropriate exposure will not be tolerated. Vulgarity of any kind including but not limited to foul or offensive language shall not be used during any time of the duration of the rental. The Stamford Police Department will be contacted immediately should individuals become unruly and further enforcement is needed.

Police Enforcement

If a renter refuses to comply with City Field Rental Policies or follow the request of a City staff member, the Stamford Police Department Dispatch will be notified for assistance.

Concussion Policy

To help ensure the health and safety of young athletes, Stamford Recreation Services refers to the CDC developed HEADS UP Concussion in Youth Sports initiative to offer information about concussions to coaches, parents, and athletes involved in youth sports.

Grounds for Denial or Cancellation of Permit

Submission of an application does not guarantee that the rental request has been authorized. The City reserves the right to deny an allocation request to accommodate a City-sponsored/cosponsored tournament and/or special event. Due to space limitations regarding parking and spectator capacity, softball tournaments and soccer tournaments may not be booked simultaneously.

A request may be denied, or a permit cancelled, on the grounds that the applicant has previously had a Facility Use Permit revoked in the City of Stamford or another jurisdiction for violation of permit conditions, or failure to fulfill any use requirement by the established deadline, including, but not limited to, the payment of facility fees or extra fees.

Sanctioned User/League Contact

An applicant representing an organization renting a City facility is required to provide a letter from the agency or organization specifically authorizing the individual to conduct business with the City of Stamford to reserve a facility on the organization’s behalf, and signed by the individual listed on the business license, a titled officer, or designated signatory. The Authorized Agent shall be the single point of contact for City staff. Permits may be cancelled for failure to adhere to policies outlined in the Sanctioned Users Policy Document.

Payments (see Sports Field User Fees) IMPORTANT: Late payments will result in consequences up to and including cancellation of the current permit and/or loss of priority for the following allocation year.

Permit Application Fee is due once permit has been approved by Parks and Recreation commission and/or internal committee.

Tournament payments are due 20 days prior to the tournament start date. Field prep fees are due no later than 5 business days prior to the scheduled practice, game, or tournament start date. Payment for field rental and staffing fees are due at the end of each month for games.

SPORTS FIELD USER FEES

Fees are reviewed annually and updated according to the Master Fee Schedule adopted by the Stamford Board of Representatives, effective each July 1.

See Appendix A for all Fees.

Youth Tournament fees will be effective as of January 1, 2018

SPECIAL PERMITS & REQUESTS

The following items may require approval from multiple City departments and require an advanced written request to process. Upon approval, City staff will add notes and issue a revised copy of your permit.

Barbecues

The use of barbecues is permitted at sport tournaments but must be requested in writing and added to the Facility Use Permit for all other park/field rentals. Use of barbecues in Stamford Parks is only permitted in designated picnic areas and is not allowed within the interior or immediate exterior of a Park sports field.

Public Address Systems/Megaphones

Any public address system or megaphone may only be used at a City of Stamford athletic field for a pre-game opening welcome, to announce pre-game line ups, to make sporadic service announcements (such as weather related warnings, moving a vehicle, etc., and a closing announcement). Play by play announcement and/or background music is not allowed at any time during the course of a game.

Concessions & Picnic

For pavilion and picnic rental information contact the Cashiering and Permitting Dept. at 203-977-4979

At the Cove Island Park, Cummings Park and West Beach, a full service concession facility is on the premise with a contracted concessionaire available. The contracted concessionaire has first right of refusal for all events scheduled at the complex. No additional selling of any kind or providing of food and beverages within these park perimeters during a rental or event is permitted without prior written consent of the City as well as a valid business license.

Fields with Concession Stands

Any physical concession stand at a City Park field can be operated during the season by the Sanctioned Organization permitted for such field on a parent and or volunteer run basis **ONLY**. There is to be no hiring of staff and or subcontracting out the operation of the stand. All Concession Stands are subject to all City of Stamford and State of CT Health regulations. It is the responsibility of the Concession Stand operator to meet any and all regulations and inspections.

GENERAL FIELD MAINTENANCE & FACILITY USE POLICIES

Equipment Storage

Items are not permitted to be left or locked in any City of Stamford property unless such space is available and permitted by the Parks Manager. The City of Stamford is not responsible for storing any items belonging to a field or tournament permit holder; however if approved by the Parks Manager, the City is not responsible for any lost or stolen storage items.

Facility Keys

No organization shall be in possession of City keys. Organizations found to be in possession of unreturned keys will be subject to disciplinary action up to and including permit revocation, effective immediately.

Batting Cage

For all Leagues with approved batting cages; netting cannot go up until April 1 and must be removed by October 31 of each year. In addition, netting must be inspected regularly throughout the season and repaired/replaced immediately if torn or unsecured while in season. Copies of current batting cage keys must be submitted to the Parks Department for emergency entry.

Field Lining

Access to facilities to line fields must be scheduled in advance with the Parks Department and the Recreation Services Division. Requests to have City staff line fields must be received by 12:00 noon on the Wednesday prior to the rental.

Field Maintenance

Field conditions are assessed based on both the short-term (Days/Weeks) and the long term (Months/Seasons) impacts to each field's playability. Parks Department staff will determine if the fields are open or closed. In annual rest any renovation of fields is scheduled at the Stamford Recreation Services and Park Fields to maintain field sustainability. The City attempts to be flexible in accommodating user groups, but ultimately, the health and safety of the user and the conditions and playability takes priority. This may require the closure of fields or facilities, denial of use of a field, and/or making alternate sites available for use. No user groups shall use fields that are closed for renovation or repair.

Foot Protection

Metal cleats are not allowed for play in any Stamford adult slow pitch softball league at any City Park field. For baseball, lacrosse and soccer, cleats are allowed for anyone ages 13 and up with the exception of play on any City Park artificial turf field. Sandals, flip-flops, slippers, etc. are not allowed on the playing fields.

Garbage

The City of Stamford provides garbage and recycling cans at all sport field locations. All renters are responsible for cleaning up debris and trash on all fields and common areas following field use.

Turf Management

To insure the long-term health of City turf and sports fields, the number of games/hours of use at each facility is limited on a seasonal and weekly basis. Without such limitations, the impact on these facilities can have a negative long-lasting effect on the sports fields.

In order to maintain playable fields, fields are limited to no more than 15 hours of field usage per week. In-season field closures may occur if staff determines fields have deteriorated due to wear and tear, or in cases of inclement weather, such as rain or frost. In preparation for large tournaments/special events, fields will be closed and not scheduled for use the entire week prior to the tournament.

It is the responsibility of all field users to protect the turf from excessive wear and tear. Users should rotate locations of training and equipment, including but not limited to: ladders, cones, pitching practice, etc. Additionally, users shall not use fences, bleachers or other amenities as targets for practicing or warming up.

Facility Electrical Access

Any and all access to City electrical units must be requested in writing from the Parks & Facilities Division. Approved access will be noted on the Facility Use Permit. Fees may apply.

Field Preparation Requests

Field maintenance/preparation requests must be received no later than five business days prior to the game or first day of tournament play. Field maintenance personnel are not available unless previously requested. If field maintenance is requested, ample time must be provided between games for servicing of the fields. SUBJECT: Selection Criteria & Decision Authority for City Playground and Athletic Fields Surfaces

On October 6, 2022, the Stamford Parks & Recreation Commission held a Special Meeting regarding the use of artificial turf for athletic fields and the use of poured-in-place (PIP) rubber playground surfaces.

Following the special meeting of the Commission, the Administration has sought formal guidance from the City's Health and Legal Department. The requested opinion is regarding the validity of available health data, research, and other health related considerations on the topic. Additionally, the Administration is seeking clarity on the policy-making authority of the Parks & Recreation Commission and Board of Representatives related to this topic.

The goal is to leverage the City's Health Department to validate any research on the topic which may help guide the development of governing policies. Furthermore, the request for a legal opinion is aimed at establishing the decision-making authority over the selection of playground and athletic field surfaces.

Upon receipt, I will share all formal responses from the City's Health and Legal Department related to this matter.
