The effective date of this provision shall begin on the execution date of the July 1, 2005 – June 30, 2025 Agreement, and terminate on June 30, 2025.

ARTICLE II
ASSOCIATION SECURITY

Section 1

All employees hired after the date of execution hereof may become members of the Association. All such employees and all present employees who are members of the Association hereafter shall remain members of the Association in good standing by the payment of their regular monthly dues on or before the last day of each month.

Section 2

The City/Board agrees to deduct regular Association Dues and service fees from the pay of each employee who has signed and submitted to the City/Board a card authorizing such deduction. All sums so deducted shall be sent monthly to the Treasurer of the Association.

Section 3

Section 2

All new employees shall serve a probationary period of six (6) months. Upon completion of the probationary period, the seniority of such new employees shall date from the date of hiring. The City/Board, in its sole discretion, may extend an employee's probationary period by up to an additional six (6) months.

Section 3

All employees promoted during the term hereof shall be deemed to be serving a probationary period in the new position for a period of three (3) months after the promotion. The City/Board, in its sole discretion, may extend an employee's promotional probationary period by up to an additional six (6) months. Any employee who does not successfully complete the probationary period for the promotional position as a result of the new job requirements of the position shall be returned to his/her previous position.

ARTICLE IV

Section 1

All vacancies in any job classification covered by this Agreement shall be posted on bulletin boards to be furnished for Association communications by the Board in each school and other places where employees assemble. Any such vacancy to be filled by promotion shall be filled within thirty (30) days after the vacancy shall have been posted, provided however that in the event there are less than three (3) names available for appointment on the eligibility list for the position involved in effect at the time of such posting, and the City/Board shall determine to request the Human Resource Department to establish a new eligibility list for such position, the vacancy shall be filled within thirty (30) days after such new list has been established and certified to the City/Board.

Section 2

Internal candidates, within the posted classification, who may desire to fill such vacancy shall so notify the City/Board in writing within the five (5) day period. At the close of the posting period, the City/Board will fill the vacancy with the most senior candidate, provided the individual has a satisfactory work history (as determined by his/her evaluation), no attendance/tardiness problems, and no disciplinary record.  2. In the event there is no qualified candidate, the vacancy will be filled by a candidate off an eligibility list (open competitive or promotional).
 3. Should an employee be transferred to a position with a higher salary grade on a temporary basis, such transfer shall not be longer than ninety (90) days, thereafter, the assignment will be rotated by seniority. Provided, should that employee be the only employee qualified to perform the job, this restriction shall not apply.

Section 3

- a. Promotional vacancies, as determined by the City/Board, will be filled in accordance with the Classified Service Rules of the City of Stamford.
- b. A vacancy in the position of Head Custodian I-Day Shift, will first be filled by the transfer of a Day Shift Head Custodian in accordance with the procedure set forth in Sec. 2(a) above. In the event there is not a qualified candidate and/or a Day Shift Head Custodian I vacancy exists after day shift transfers, the City/Board will post the position for interested Lead Custodians personnel. Interested eligible personnel may make written application for consideration to the City/Board, within five (5) working days from the date the vacancy is posted. The most qualified individual applicant will be selected for the promotion to Day Shift-Head Custodian I, based upon the individual's work history, disciplinary record, attendance record and ability as determined in a selection interview. This provision will be applicable only to Head Custodians I - Day Shift vacancies for "Night Shift Lead Custodians" appointed after effective date of the agreement.

Section 4

In no event shall the City/Board be required to make more than two (2) transfers as a result of any such vacancy, subject to the conditions set forth above in Section 2.

Section 5

Except as provided for herein, all promotions shall be governed by the applicable Civil Services Rules and Regulations in effect at the time of the promotion, and no action taken thereunder shall be subject to contest or arbitration under this Agreement.

Involuntary transfers of a temporary or permanent nature require two (2) weeks notice to the affected employee, except in extraordinary or emergency circumstances. Further, involuntary transfers of a permanent nature will be filled with the least senior employee in the classification except in cases where good cause is shown for departing from such standard. No employee, however, shall be reduced in status or pay without just cause.

ARTICLE V **HOURS OF WORK**

Section 1

Seven and one-half (7-1/2) hours shall constitute a normal day's work and thirty-seven and one-half (37-1/2) hours shall constitute a normal week's work, except that from the day after the close of the school year until the day before opening day for teachers, and during the Christmas, winter and spring school vacations, the normal day's work shall be seven (7) hours, and thirty-five (35) hours shall be a normal week's work. All employees shall have a fifteen (15) minute coffee break each morning and afternoon.

Management shall make all reasonable efforts to stabilize the hours of its employees.
- C. The City/Board may, in its sole discretion, elect to move custodial personnel from days to evenings. In the event the City/Board chooses to do so, the City/Board will institute a bid

system within each school. Individuals will bid, by seniority, in each school. Employees hired prior to November 1, 1986 shall be exempt from second shift for good cause shown.

- D. A ten percent (10%) differential will be paid to those working the second shift. Payment will be made in the employee's regular paycheck.
- E. During the school year, the Board of Education may, in its sole discretion, elect to institute a "swing shift" for custodians, with working hours from 11:00 a.m. – 7:00 p.m. This shift may be staggered one (1) hour each way from the normal starting time such that a shift may begin as early as 10:00 a.m. and as late as 12:00 p.m. The Board of Education will solicit volunteers to fill the swing shift in each school it is implemented. In the absence of volunteers, the least senior employee at the school will be assigned to the swing shift.

Section 3

The Board of Education may, in its sole discretion, elect to institute an evening shift for tradesworker classifications. Such shift will be 2:00 p.m. to 10:00 p.m. Any employee hired after July 1, 2002, may be assigned to the evening shift, or other schedule of hours, as determined by the Board, provided they are given two (2) weeks notice. The Board of Education will solicit volunteers to fill the evening shift. Further, in the absence of volunteers, the least senior employee hired in a trades classification may be assigned to this alternate shift with two (2) weeks notice.

Section 4

With respect to Ground Crew and Supervisor, such work shall be scheduled from 8:00 a.m. to 4:00 p.m. with one-half (1/2) hour for lunch.

The City may in its sole discretion elect to make the Grounds Crew classification a permanent classified position. In the event the City elects to do so, incumbents who qualify will be permitted to take the examination. Any incumbent who does not pass the examination will remain in their current assignment and will be reassigned to a custodial vacancy when a vacancy is created.

Section 5

Summer hours shall be 7:00 A.M. to 2:30 P.M., provided that should the school remain open with other Board office support staff present, one employee per building shall have a schedule ending at 4:00 P.M.

Section 6

Except as provided in Section 8 below, all employees shall be paid additional compensation at the rate of time and one-half (1½) their regular rate of pay for work performed by them in excess of the normal daily and weekly hours referred to in Article V, and twice (2) their regular rate of pay for work performed by them on Sundays, except that if such Sunday work shall be in connection with church services or church activities, or with the inspections referred to Section 8 below, or non-profit youth and school activities, including youth activities sponsored by the Board of

Recreation, the additional compensation therefore shall be at the rate of time and one-half their regular rate of pay.

Section 7

Maintenance Tradesworker II and Maintenance Tradesworker Working Foreman who are electricians, plumbers, and HVAC technicians shall perform "standby" duty on a rotating basis for periods of seven (7) consecutive days, as heretofore, for a total of not less than six (6) or more than nine (9) months in any school year, which such total period shall be fixed by the Administrative Office. Each employee performing such standby duty shall be paid therefore two (2) days' pay (two-fifths of his/her regular week's wages) for each such seven-day period. If any employees assigned to such duty shall be unable for any reason to remain on duty on any day, he shall have the obligation to make whatever arrangements are necessary to obtain the services of a qualified fellow employee to perform such standby duty for him without additional cost to the City or the Board.

Section 8

Unit members shall be given a minimum of three (3) hours of overtime when called back to work on a Saturday, Sunday or Holiday or between the hours of midnight to 7:00 a.m. Unit members will be given a minimum of two (2) hours of overtime when called back to work for additional cleaning or other work at any other time not contiguous to their regularly-scheduled shift, when authorized by the City/Board, including each occasion when the City/Board is unable to provide a substitute for a unit member absent from any school for any reason. Provisions for call-back pay shall apply all seven days a week. Contiguous is defined as a time directly before or after a scheduled shift so that there is no interruption in the work.

Section 9

The City/Board reserves the sole and exclusive right to determine the scope, nature and staffing requirements of all overtime work in connection with night and weekend functions, except as may be limited below.

- a. **Board of Education Functions**: All employees shall be paid one and one-half (1½) times the regular hourly rate for all overtime work performed in connection with night and weekend functions. There shall be a minimum of three (3) hours for each assignment. Overtime under this section will be distributed in accordance with Section 10 below. The minimum does not apply to overtime contiguous to an employee's shift.
- b. **Non-Board of Education Functions**: The City agrees to consult with the Head Custodian in the establishment of guidelines/standards for outside functions. In the event a dispute occurs with respect to the guidelines, the Association must notify the City of its objection. The parties will discuss the objections, however the City remains the final authority in determining the guidelines/standards. All such assignments will be for a minimum of three (3) hours, including all City related/sponsored functions. The minimum does not apply to overtime contiguous to an employee's shift.

Section 10

All overtime shall be distributed equally among employees in the same school, or, in the case of Maintenance Tradesworker II and Maintenance Tradesworker Working Foreman, among employees performing the same type of work, provided that such distribution does not

unreasonably affect the efficiency of the work. The preceding sentence shall not apply to any employee who is working subject to a medical requirement that he performed only light duty or to any Custodian or Head Custodian who is unable to perform snow removal duty for physical or medical reasons. Any regularly assigned overtime shall be posted in the Custodian's office in each school. Wherever feasible, employees shall be notified at least forty-eight (48) hours in advance of any overtime assignment, and overtime previously scheduled for work assignment, and overtime previously scheduled for work during the day on a Saturday or a Sunday shall not be canceled without at least forty-eight (48) advance notice. Overtime for custodial work will be administered by the Head Custodian at each school. All overtime opportunities shall be offered to all Custodians first in the specific building, and then to all other Custodians within the district in a process managed by representatives of the Employee Association. All overtime opportunities for Tradesmen will be offered on a rotating basis to Tradesmen in the needed trade (Electrician, Plumber, Painter, Carpenter Mason, HVAC Technician in a process managed by representatives of the Employee Association). The Association agrees that any dispute concerning this process shall not be subject to the grievance procedure.

Section 11

Whenever there is a snow or other extreme weather event, the following protocol shall be followed with respect to calling in custodians:

Facilities will determine the number of custodians needed, and Facilities will call Team Leaders, Team Leaders will call Head Men, and Head Men will call in Custodians.

Section 12

Unit members shall submit all leave requests (e.g., sick leave, personal leave, vacation leave) through an electronic system as designed by the Board.

ARTICLE VI WAGES

Section 1

The hourly wages of employees covered by this Agreement shall be as set forth in Appendices hereof. The terms of additional compensation for the Team Leader assignment are set forth in Addendum 1 hereto. In computing the wages to be paid to Maintenance Tradesworkers II under the aforesaid schedules, such employees shall receive credit for one-half (1/2) the years employed as a Journeyman by an employer other than the Board as though they were years of employment by the City/Board.

Section 2

25 yrs. Service	\$650.00

Longevity payments will be made lump-sum during the month of December each year. Longevity will continue to count towards the employee's pension in calculating base salary. An employee, who will be eligible for longevity during the fiscal year, will receive his/her longevity in December (ex. Employee with ten years as of February 20th during the fiscal year, will receive longevity pay in December, two months earlier. Conversely, an employee who reaches ten years as of August 20th will receive longevity in December, four months later).

Only unit members employed as July 13, 2015 shall be eligible for the foregoing longevity benefits.

Section 4

There shall be a general wage increase effective as follows:

Those employees on authorized leaves of absences without pay on either the execution date or a subsequent date of increase shall receive increases or retroactive payments within 30 days of the employee's return to active pay status.

Section 5

In the event of overpayment of wages, the City/Board shall have the right to an automatic return by way of payroll deduction upon satisfactory demonstration to the employee and the union that such overpayment has conclusively been made.

Section 2

Any employee shall be entitled to accumulate and carry over from year to year earned vacation leave up to a total of sixty (60) days of his/her earned vacation leave. Notwithstanding the foregoing, no vacation shall have a duration of more than thirty (30) days at a given time except in unusual circumstances when a vacation not exceeding sixty (60) days may be granted.

Section 3

The vacation period shall not be confined to the months of July and August. The Administrative Office shall endeavor, subject to its requirements for efficient operation and maintenance of the schools, to grant reasonable requests for vacation at other times of the year. Where vacation requests cannot be granted because of excessive requests for any specified period, vacations shall be assigned on the basis of seniority of those requesting them. No more than fifty (50%) of the unit members in any school may be out on vacation at the same time.

Section 4

Employees who are on sick leave during the entire period of paid leave and the first ninety (90) days thereafter shall be deemed to be continuously employed for purposes of computing the amount of vacation leave to which they are entitled.

Section 5

Each employee shall have three (3) days of personal leave in each contract year to be taken at such time as the employee may elect, with the prior consent of his/her department head, which consent shall not be unreasonably withheld.

Effective upon the ratification of this agreement, the Board agrees to provide medical benefits for each eligible individual employed under the terms of this collective bargaining agreement, along with their enrolled eligible dependents, as follows:

Subject to the conditions set forth below, the Board shall offer each bargaining unit member the opportunity to participate in the Connecticut State Partnership Plan 2.0 (SPP) for health benefits. The health plan benefits shall be as set forth in the SPP effective on July 1, 2018, including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The administration of the SPP, including open enrollment, beneficiary eligibility and changes, and other administration provisions shall be as established by the SPP.

- a. Promptly upon ratification of this Agreement, the Board shall apply to the State to admit this bargaining unit to the SPP. Should the Board’s application be accepted, these provisions related to the SPP shall be implemented. Should the Board’s application be rejected and reconsideration be denied, the parties shall negotiate over the provisions of this Article VIII in accordance with Conn. Gen. Stat. § 7-473c(b).
- b. The SPP contains a Health Enhancement Plan (HEP) component. All employees participating in the SPP are subject to the terms and provisions of the HEP. In the event SPP administrators impose the HEP non-participation or noncompliance \$100 per month premium cost increase or the \$350 per participant to a maximum of \$1400 family annual deductible, those sums shall be paid 100% in their entirety by the non-participating or non-compliant employee. No portion or percentage shall be paid by the Board. The \$100 per month premium cost increase shall be implemented through payroll deduction, and the \$350/\$1400 annual deductible shall be implemented through claims administration.
- c. In the event any of the following occur, the Board or the Association may reopen negotiations in accordance with Conn. Gen. Stat. § 7-473c(b) as to the sole issue of health insurance, including plan design and plan funding, premium cost share and/or introduction of replacement medical insurance in whole or in part.
 - i) If the SPP in its current form is no longer available; or if the benefit plan design of the SPP is modified as a result of a change in the State’s collective bargaining agreement with SEBAC, if such modifications would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an

additional optional health insurance plan; and/or

- ii) If Conn. Gen. Stat. Section 3-123rrr et seq. is amended, or if there are any changes to the administration of the SPP, or if additional fees and/or charges for the SPP are imposed so as to affect the Board, any of which amendments, changes, fees or charges (individually or collectively) would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan; and/or
 - iii) If the cost of medical insurance plan offered herein is expected to result in the triggering of an excise tax under The Patient Protection and Affordable Care Act ([ACA; P.L. 111-148], as amended, inter alia, by the Consolidated Appropriations Act of 2016 [P.L. 114-113]) and/or if there is any material amendment to the ACA that would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan.
- d. In any negotiations triggered under subparagraph c above as well as negotiations for a successor to this collective bargaining agreement, the parties shall consider the High Deductible Health Plan with Health Savings Account set forth in Section B of Article 6 of the collective bargaining agreement between the Board and the Stamford Education Association to be the baseline for such negotiations, and the parties shall consider the following additional factors:
- Trends in health insurance plan design outside of the SPP;
 - The costs of different plan designs, including a high deductible health plan structure and a PPO plan structure.

Should such negotiations be submitted to arbitration for resolution, the arbitration panel shall consider the foregoing in applying the statutory criteria in making its ruling.

Permanent part-time employees, hired after July 1, 1997, who work less than thirty-two (32) hours per week will only be eligible for individual insurance coverage. Effective _____, all active members who thereafter retire (Member) shall be eligible to receive the following benefits:

1. An adjustment, based upon the plan's "Average Annual Return" as defined herein, in pension benefits payable to each Member, commencing January 1, 1999, retroactive to July 1, 1998, who has attained age 62 and has received or has been credited with at least twelve monthly pension payments prior to July 1, 1998.

2. Thereafter on January 1 of each third year (effective date), retroactive to the prior July 1, the pension benefit payable to each member who has attained age 62 and has received or has been credited with at least twelve monthly pension payments prior to said July 1 of each third year (Eligible Member) shall be adjusted.

3. The adjustment shall be based upon the average annual investment return (Average Annual Return) earned by the City of Stamford Custodian and Mechanics Trust Funds for the 36 month period ending on July 1, six months prior to the Effective Date of the adjustment. The Average Annual Return shall be determined by the Plan's Trustee using the dollar weighted rate-of-return methodology. The Average Annual Return shall be determined as the geometric average of the annual return of each of the three years.

4. An adjustment account will be established as of July 1, 1995 with a zero balance. Beginning July 1, 1998, and on July 1 of each third year thereafter, the adjustment account balance will be redetermined as follows:

a. The adjustment account balance will equal the adjustment account balance as of the July 1 three years prior plus Item b(1)(c) less Item b(ii)(c) plus Item C minus Item d.

b. The adjustment account will be credited or debited for investment performance, as follows:

1. If the average Annual Return is greater than 10%, the adjustment account will be credited as follows:

i. Subtract 10% from the Average Annual Return.

ii. Multiply the result in item (I) by 50%.

iii. Multiply the result in item (ii) by the pension benefit obligation for each Member receiving or who is credited with monthly pension payments as of the July 1 six months prior to the Effective Date.

2. If the Average Annual Return is less than 6%, the adjustment account will be debited as follows:
 - i. Subtract the Average Annual Return from 6%.
 - ii. Multiply the result of item (i) by 50%.
 - iii. Multiply the result in item (ii) by the pension benefit obligation for each Member receiving or who is credited with monthly pension payments as of the July 1 six months prior to the Effective Date.
 3. If the Average Annual Return is greater than or equal to 6% and less than or equal to 10% no credit or debit will be made to the adjustment account.
 - c. The adjustment account will be credited with the Average Annual return for each of the prior three years.
 - d. The adjustment account will be debited for adjusted pension payments (including interest at the Average Annual Return Rate) paid during the prior three years.
 5. The percentage increase equals Item (a) less Item (b) divided by Item (c).
 - a. The adjustment account balance as of the July six months prior to the Effective Date of the adjustment.
 - b. The pension benefit obligation as of such July 1 for prior year adjustments of all eligible Members.
 6. The pension adjustment will be the percentage increase multiplied by the amount currently being paid to Eligible Members subject to the following limitations:
 - a. If the percentage increase is greater than 4%, the percentage increase will be limited to 4%. Any excess adjustment account credit from Item 4(b)(1)(iii) will remain in the adjustment account.
 - b. If the percentage increase is negative, no adjustment will be made. Any excess adjustment account debit from Item 4(b)(1)(iii) will remain in the adjustment account.
 7. The pension benefit obligation will be determined by the plan's actuary in accordance with actuarial assumptions with respect to interest and mortality as used in the most recent actuarial valuation report. Pension benefit obligation will have the meaning as such time is defined in Government Accounting Standards Board Statement No. 5.
 8. The adjustments referred to above shall be fully applicable to the eligible survivors of deceased Members as of the Effective Date such Member became or would have become an Eligible Member.
- C. A copy of this written agreement will be filed with the Plan Trustees (Amendment and Declaration of Trust dated June 16, 1971). The Trustees shall formulate, adopt and promulgate in good faith investment plans, programs and decisions, in accordance with the Declaration of Trust provisions which in their opinion are desirable to facilitate the administration of the Plan consistent with the intent and provisions of this agreement.

Average annual return	12%
Adjustment account credit	1% x 7,000,000 = 70,000

- 1. No alcoholic beverages will be brought into or consumed while on duty.
- 2. Drinking or being under the influence of alcoholic beverages while on duty may subject the employee to discipline, up to and including termination.
- 3. Any member whose off-duty use of alcohol leads the City to reasonably suspect that it is resulting in excessive absenteeism or tardiness or inability to perform duties in a satisfactory manner, may be referred to the Employee Assistance Program for rehabilitation in lieu of or in conjunction with disciplinary action being taken. In the event the employee refuses or fails rehabilitation, disciplinary action for the violation committed may be imposed, up to and including termination of employment.

B. Prescription Drugs

1. Any member under long term use of a prescription drug, which may affect the performance of his/her job duties, shall notify his/her Department Head.

In the event the employee refuses or fails rehabilitation, disciplinary action for the violation committed may be imposed, up to and including termination of employment.
4. No employee shall ingest any prescription drugs in amounts beyond the recommended dosage.

C. Illegal Drugs

1. The use of an illegal drug, or controlled substance, or possession of them on or off-duty is cause for immediate termination.
2. The sale, trade or delivery of illegal drugs, or controlled substances by an employee to another person, will subject the employee to termination and referral to law enforcement authorities.

VI. Procedures

The procedures relative to employees thought to be using, possessing, or under the influence of alcohol or chemicals while on-duty shall be as follows:

- C. Both the immediate supervisor and the Department Head, if available, will interview the employee. After the interview, if both supervisors concur that there is reasonable suspicion that the employee is under the influence of alcohol, drugs, or chemicals, the employee shall be taken to the facility at the time which does a urine analysis, or can have the testing lab send a person qualified to take a urine specimen into custody, to the station where the employee is assigned. The employee upon request, shall be entitled to the presence of an Association Representative before testing is administered.

The individual believed to be under the influence shall be governed by the same rules and standards set forth under this policy.

- F. If the employee is willing to sign the appropriate release form, the lab or urine specimen custodian shall retrieve in a proper manner and place the urine specimen and shall perform a drug and alcohol test.
- G. It should be made clear to the employee before he/she signs the release form that the results will be made available to the Department head and may be used for rehabilitation and/or disciplinary action of the employee.
- H. If the employee refuses to submit to the test, the test result shall be deemed "positive" and appropriate disciplinary action will be taken.
- I. The results, if positive, will be forwarded to the Medical Review Officer who shall examine alternate medical explanations for any positive test result. This action could include conducting a medical interview with the individual, review of the individual's medical history, or review of any other relevant biomedical factors. The Medical Review Officer shall review all medical records made available by the tested individual when a confirmed positive test could have resulted from legally prescribed medication.
- J. A split sample shall be reserved in all cases for an independent analysis in the event of a positive test result. All samples must be stored in a scientific acceptable preserved manner as established by _____. All positive confirmed samples and related paperwork must be retained by the laboratory for at least six (6) months or for the duration of any grievance disciplinary action or legal proceedings, whichever is longer. At the conclusion of this period, the paperwork and specimen shall be destroyed as allowed by law.
- K. Upon the confirmation of a positive test result, the employee shall be enrolled in a Primary Care Rehabilitation Program. The Director shall be notified. The type of treatment and the length of the program shall be determined jointly by the Director of the Employee Assistance Program (EAP) and the facility providing the care. Any and all costs incurred above and beyond that which is covered by the employee's insurance policy shall be paid for by the City of Stamford.
- L. If confirmatory testing results are negative, all samples shall be destroyed and records of the testing expunged from the employee's file, as allowed by law.
- M. During the rehabilitation period, an employee's position shall be protected, further seniority shall not be infringed. This protection shall only be available to employees during rehabilitation periods.
- N. The primary care program shall make the determination as to the time and program of after-care (out patient care) needed by the patient. The City of Stamford shall incur all expenses after exhaustion of all medical insurance.
- O. Rejection of treatment, or failure to complete all aspects of the program, including attendance to all follow-up maintenance meetings shall subject the employee to termination.

VII. Discipline

After all reviews and split sample testing (when requested) has occurred, the following shall apply for positive test results:

- A. The first positive test will result in a three (3) day unpaid suspension with a mandatory referral to EAP. A treatment program will be developed by the provider. The employee shall be obligated to continue and complete the requirements of the program as a condition of continued employment. The employee shall also be subject to random testing over the next two (2) years, or as required by the rehabilitation program, whichever is longer.
- B. If the employee tests positive for a second time, the employee shall be suspended for five (5) days and be re-evaluated by the EAP provider. The employee shall be required to follow the recommended treatment program and be subject to follow-up drug and alcohol testing.
- C. If an employee tests positive for a third time, the employee shall be terminated.
- D. This agreement does not limit the City's ability to impose more severe discipline, up to and including termination, for underlying misconduct beyond the positive drug and alcohol test.
- E. If the employee refuses to take the test, or does not show up for the test, it will be considered a positive test for the purpose of this agreement.

VIII. Random Testing

Except as required by statute for employees with a Commercial Drivers License, random or mass testing is prohibited except for members enrolled in active or after-care programs and probationary employees, or as allowed by law.

IX. Laboratory

- A. The City shall use a NIDA certified lab. For the purposes of determining a positive test under the provisions of this policy, the cutoff levels/values shall be set by _____.

X. Changes in Testing Procedures

The parties recognize that during the life of this agreement, there may be improvements in the technology of testing procedure which provide more accurate testing. In the event, the parties will discuss whether to amend this procedure to include such improvements.

XI. Right of Appeal

The employee has the right to challenge the results of the drug or alcohol test and any discipline imposed.

XII. Association Hold Harmless

This drug and alcohol testing program was initiated at the request of the City. The City assumes sole responsibility for the administration of this policy and shall be solely liable for any legal obligations and costs arising out of the provisions and/or application of this collective bargaining agreement relating to drug and alcohol testing.

The Association shall be held harmless for the violation of any worker rights arising from the administration of the drug and alcohol testing program.

The individual members of the Association will be solely responsible for their individual actions.
