Terms

The Project will commence on 12/21/2022 and terminate on 12/20/2023 (the “Project Term”).

The amount of the Grant shall not exceed \$9,100.00.

Unless otherwise agreed, seventy-five per cent (75%) of the Grant shall be disbursed within thirty (30) days of the date on which CTH receives a fully executed original of this Agreement and submission of your organization’s CT Cultural Fund Grantee Survey. The balance, less adjustments for unspent funds, shall be payable by CTH upon its receipt of Grantee’s complete and accurate Final Financial Report, Project Narrative (as each is hereinafter defined), and follow up CT Cultural Fund Grantee Survey in form and substance satisfactory to CTH.

Obligations of the Grantee:

Grantee shall carry out and complete the Project within the Project Term. Grantee must first obtain the prior written approval of the Executive Director of CTH, or his or her designee, before making: 1. any significant change in the scope, purpose, or term of the Project and 2. any change in its key personnel. Grantee shall immediately notify CTH of any other development that might significantly alter Grantee’s ability to complete the Project within the Project Term.

The Grantee shall appoint an experienced and knowledgeable person to act as its fiscal agent. Grantee’s fiscal agent shall keep current and accurate books and records to document the expenditure of Grant funds and the activities supported by the Grant. Such books and records shall be kept in accordance with generally accepted principles of accounting, consistently applied, and shall be made available for inspection by CTH, during ordinary business hours at the Grantee’s premises during the Project Term and for no less than three (3) years thereafter. Any unspent portion of the Grant funds shall be returned to CTH upon completion of the Project.

Where the Project Term exceeds twelve (12) months, Grantee shall submit interim reports on a schedule established by CTH. Such interim reports will include brief descriptions of: 1. Project activities to date; 2.

events that have had a significant effect on the Project; and 3. the work that will be required to complete the Project.

Grantee shall submit a final financial accounting of the Project detailing all sources of income and expenditures for the Project (the "Final Financial Report"), a narrative statement assessing the extent to which the Project has met the goals established in Grantee's proposal (the "Project Narrative"), and complete the follow up CT Cultural Fund Grantee Survey within thirty (30) days of the close of the Project Term. Failure of the Grantee to submit each of the Final Financial Report, Project Narrative, and follow up CT Cultural Fund Grantee Survey in a timely manner shall result in a forfeiture of Grant funds that would otherwise be due and payable to Grantee and may result in Grantee being disqualified from applying for a subsequent grant.
