Subject: ARPA GRANT, Data Required

Dear Chief;

Your agency has received ARPA Auto Theft and Violence funds to focus on reducing auto theft and other crimes in our communities. The grant period began December 1, 2022.

The goal is to work collaboratively to reduce these types of crimes, either by proactive patrols or by conducting investigations into the people responsible for these crimes. Your department will also be working with units within the State Police Bureau of Special Investigations such as the Statewide Narcotics Task Force, Gun Tracing Task Force, Statewide Urban Violence Cooperative Crime Control Task Force, CT Regional Auto Theft Task Force and the Statewide Organized Crime Investigative Task Force.

In order to measure the success of the ARPA Auto theft and Violence Grant, your department IS REQUIRED to provide certain data, which includes Activity Reports and Quantitative Data Measures. The Quantitative Data Measures are listed on the attached spreadsheet. It is **imperative** that this data be provided on a **MONTHLY basis, not later than the FIFTH** of the following month. Your designated point of contact should email the data to DESPP.Autotheft@ct.gov. Timely data is vital in this effort. Your department is collecting certain pieces of the required data already, and you can provide this data

as long as it's provided by the fifth of the next month. Data is required EVERY month, and it needs to be provided in the attached spreadsheet. There is one tab for each participating town. We cannot accept data in other formats.

In addition to this data, we are collecting selected charge data. This data is being drawn from the Computerized Criminal History file and requires no additional effort from your department.

Compiled data from both the Quantitative Data Measures and the charge data will be posted on CT.gov for your department's use. We will be sending a specific link as soon as this is available.

Please let us know who your point of contact is, and have that person respond with the December data not later than Jan 5, 2023.

If you have any questions please contact Lt. Anthony Giuliano at Anthony.Giuliano@Ct.gov.

Thank you.
