Absent:

Commissioners Attendance January 2023

Present:

Ms. Lorraine Olson Dr. Thomas Getreuer` Ms. Patricia Parry Dr. Tabitha Fortt

Dr. Viviane Trinh

Guest Attendance: Ms. Jody Bishop-Pullan, Director of Health, Ms. Brittany Dube, Behavioral Health, Health Promotion, & Emergency Response Specialist, Ms. Raquelle Early, Recording Secretary

Call to Order		Ms. Olson called the meeting to order at 9:04am.

Topics Minutes	<u>Discussions</u>	<u>Actions</u>
Approval of the minutes of the Health Commission Meeting of December 8, 2022		Motion to approve occurred at 9:10am. (Approved 5-0)
Correspondence	• None	
Director of Health Report Ms. Jody Bishop-Pullan	• Working on Mothers and Babies six (6) week program that helps new mothers manage post-partum depression.	
	<ul> <li>Received a grant for \$715,000 for Epidemiology and Laboratory to support case investigation, communication, education, and outreach (except for vaccination). Contract being prepared for Mayor's signature.</li> </ul>	

- Cases have declined; however, hospitalizations have increased. Community levels are being monitored, older adult population is impacted the greatest. COVID vaccination clinics have been held at the senior center, and in senior housing.
- State has discontinued supporting COVID-19 testing sites ahead of their June 2023 deadline. One state sponsored COVID-19 testing site on Elm Street will remain open and requires health insurance. Payment will be required for uninsured individuals.
- COVID-19 Vaccines are still be administered at the Department of Health Clinic at 137 Henry Street via appointment. Griffin Health is also at 137 Henry Street 2 days a week, Ferguson Library, and at Westover on Saturdays.
- State will be funding federally qualified health center for test and treat program. Only (four) 4 centers statewide. Stamford's is in Family Centers in Greenwich. Community Health Centers has funding through HIRSA.
- Receiving vaccine support / administration grant.
- Infections Disease(s): Ebola outbreak has been declared over and will no longer monitor travelers to/from Uganda.
- Last M-Pox case was reported back in September 2022.
- Community Nursing, Infectious disease, and Well Child program for physicals and immunizations, especially for newly arrived immigrants.
- School Nursing: Ensuring students are compliant with immunizations and physicals.

Presented by Ms. Brittany Dube  Moving into next step of the Accreditation process. Community Health Needs Assessment (completed), Community Health Needs Assessment (completed), Community Health Needs Assessment (completed), Community Health Improvement plan (being finalized by Stamford Hospital shortly), and our Strategie Plan (will be commenced). Commencency Commencement of a new requirement by the Accreditation Board titled Readiness and Training Process which can take up to one (1) year.
