Re: Environmental Protection Board Application  
213 Blackwood Lane, Stamford, CT

Dear Property Owner:

This correspondence serves as the required notification pursuant to the Inland Wetlands and Watercourses Regulations of the City of Stamford that an application to conduct regulated activities has been filed with the Stamford Environmental Protection Board (EPB).

The applicant is seeking to fill the front yard man-made pond, replace an existing pipe under the driveway, and install habitat plantings near and/or within wetlands and watercourses on the property located at 213 Blackwood Lane.

The application procedures of the EPB require that this notice be provided to surrounding property owners. Any questions may be directed to me at (203) 855-7879.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew J. Popp". The signature is fluid and cursive, with a period at the end.
