---

This email is being sent automatically to confirm your submission of a project notification form to the Connecticut Department of Public Health pursuant to Connecticut General Statutes Section 8-3i and/or 22a-42f.

A project notification form is required to be completed and submitted to the Department of Public Health when an application, petition, request or plan is located in a Drinking Water Source Watershed or Aquifer Protection Area.

Thank you for your submission. If you have any questions, please send an email to [dph.sourceprotection@ct.gov](mailto:dph.sourceprotection@ct.gov).

A replacement of an existing deck and the installation of a generator and propane tank on a residential property.

Onsite Well

Onsite septic system (existing)

John R. Mastera, Architect

There is only 344 SF of disturbed area in the upland review area of this application. It is a very small project.

No

less than 5 acres

94 Bentwood Drive, Stamford, CT

Yes
