Subject: NE.Lockton-Stamford Contract for RFP No. 884 Health Care Advisory Consultant (Signed by NEL)

Good morning Your Honor,

Attached is a proposed contract with Northeast Series of Lockton Companies, LLC for the City's health care advisory consultant services (RFP No. 884). If agreeable ***please forward this email and the attached Contract Documents to the City's Board of Finance and Board of Representatives for consideration/approval.***

NE Lockton will assist the City in controlling or reducing the cost of the City's health care insurance. This is a three-year contract with two, additional option years for a total possible Term of five years. NE Lockton's fee for the first three years is \$125,000.00 per year. Fees for years four and five, if optioned, will be negotiated by the parties six months in advance of the then-current year. All fees will be renegotiated if the City leaves the State Partnership Plan.

Please contact Al Cava directly if you have specific questions about these services, the associated fees, the State Partnership Plan or the City's health care insurance in general. You may, of course, contact me at your convenience if I may be of any further assistance to you in this matter.

Thank you,
