The City of Stamford and specifically the Office of I.D.E.A.S (Inclusion, Diversity, Equity, & Accessibility Strategies) is receiving an award for paid internship program from State of CT Aging and Disability Services.

As an ADA Coordinator, this person will be working under the direction of the Director of Diversity, Equity, and Inclusion to focus on building a more equitable and accessible City for all.

The is a very innovative program that will help advance the accessibility of City resources to all communities with a special emphasis on people with disabilities. Our hope is to identify other departments where we can replicate this program and broadening the scope of work past ADA requirements.
