The items and references:

Q: There is a form included titled "Certification as to Contract Signatory" for LLCs. Does this mean ONLY LLCs have to include this in their submission?

A: Correct – proposers should fill out/provide the correct certification for their entity.

Should we anticipate or include a 'Construction Document' phase into the proposal in order to respond, address, and update the design package prior to receiving advertisement approval from the Department?

A: Yes, please include a Construction Document Phase

Q: Where in this form should the Consultant include "travel expenses?"

A: Include in Proposal

Q: At the Northeast corner of the Intersection which is part of this project, are there any concerns regarding contaminated soil?

A: None that we're aware of at this time

Q: Were any State / Federal funds utilized to restore the three City-owned properties located at the three corners of the intersection?

A: Not that we're aware of
