SUBJECT: Walk-In Permit Dates

DATE: July 10, 2023

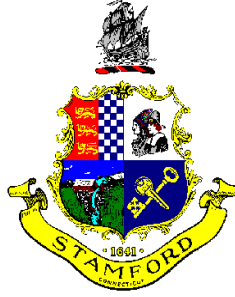

The Office of Operations, Public Safety & Health, and Mayor's Office have received positive feedback from the public regarding the walk-in permit sessions held at the Government Center.

Following the completion of our pilot program, we have decided to continue the sessions. Sessions will be held approximately once every two weeks, and each session will run for 2.5 hours.

Each session will be held in the Government Center 4th Floor Cafeteria and will operate from 9:30am – 12:00pm.

These sessions are solely intended for residential and small commercial projects such as food businesses, cosmetology, barber, and retail food establishments.
