In that event, all finished or unfinished reports, documents, data, studies, photographs, or other material prepared by the Contractor pursuant to its performance under this Agreement shall, at the option of the City, become the City's property. The Contractor shall be entitled to receive just and equitable compensation for any satisfactory services completed up to the effective date of termination. The Contractor shall not be responsible for any claims resulting from the City's use of the documents on another project or changes made to the documents without the Contractor's express written permission;

- 3) If the City reasonably determines that satisfactory performance of this Agreement is substantially endangered or can reasonably anticipate such an occurrence or default.

Should the City terminate this Agreement for cause, the Contractor shall not be relieved of liability to the City for any damages sustained by the City by virtue of any breach of this Agreement by the Contractor and the City may withhold any payment to the Contractor for the purposes of setoff until such time as the exact amount of damages due the City from the Contractor is determined. Further, if applicable, the City shall have the right to:

- 1) Complete the work of this Agreement, or any part thereof, either by itself or by other contractors, at the expense of the Contractor;

- 2) Purchase the products or services that are the subject of this Agreement elsewhere and hold the Contractor responsible for any increase in cost;
- 3) Pursue any equitable remedy, including, but not limited to, specific performance or injunction; and/or

The City shall effect such termination by giving written notice of termination to the Contractor and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents and other materials as described Subsection A shall, at the option of the City, become property of the City. If the Agreement is terminated by the City as provided herein, the Contractor shall be paid an amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed to the effective date of termination bear to the total services of the Contractor pursuant to the terms of the Agreement, less payments of compensation previously made, and subject to the City's right of set off for any damages pursuant to the terms of the Agreement;

17. DISPUTE RESOLUTION.

A. **EXECUTIVE MEETING.** The parties shall endeavor to resolve all claims, disputes, or other matters in controversy arising out of or related to this Agreement (“Claims”) through a meeting of the chief executives of each party, or their respective designees (“Executive Meeting”).

A request for an Executive Meeting shall be made by a party in writing and delivered to the other party. The request may be made concurrently with the filing of a non-binding mediation as set forth herein. The Executive Meeting shall be a condition precedent to mediation unless 30 days have passed after the Executive Meeting has been requested with no meeting having been held.

The Executive Meeting shall be held in the place where the Project is located, unless another location is mutually agreed upon.

- B. **MEDIATION.** Any Claim subject to, but not resolved by, an Executive Meeting shall be subject to mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation.

The request may be made concurrently with the filing of arbitration but, in such event, mediation shall proceed in advance of arbitration, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration is stayed pursuant to this Section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

- C. **ARBITRATION.** Any Claim subject to, but not resolved by, mediation shall, in the sole discretion of the City, be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the Claim would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the Claim.

The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law.

Any judgment will be entered or court action will be brought in a court of competent jurisdiction within the State of Connecticut.

Any amount withheld from the Contractor pursuant to this section shall be applied to the Contractor's delinquent taxes, provided, however, that no such amount withheld shall exceed the amount of tax, plus penalty, lien fees and interest, outstanding at the time of withholding;

21. GIFTS. During the term of this Agreement, including any extensions, the Contractor shall refrain from making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of the City or the Stamford Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to the Contractor shall include its members, officers, directors, employees, and owners of more than 5% equity in the Contractor. Violation of this provision shall constitute a material breach of this Agreement, for which this Agreement may be summarily terminated; and

22. CODE OF ETHICS. The Contractor shall comply with the Stamford Municipal Code of Ethics as codified in Chapter 19 of the City of Stamford Code of Ordinances and shall be considered an "employee", as defined in that Chapter, strictly for the purpose of compliance thereto. The determination of whether and to what extent the offense is cured shall be made by the City at its sole discretion.

24. NON-APPROPRIATION. The Contractor acknowledges that the City is a municipal corporation, that the City's obligation to make payments under this Agreement is contingent upon the appropriation by the City's Board of Representatives of funds sufficient for such purposes for each budget year in which the Agreement is in effect, and that the City may terminate this Agreement by way of written notice to the Contractor if sufficient funds to provide for the payment(s) hereunder are not so appropriated;

25. GOVERNING LAWS. This Agreement shall be governed by the laws of the State of Connecticut and the parties hereby waive any choice of law provisions contained therein;

26. INTERPRETATION. The Contractor agrees that, in the event of any ambiguity between the terms of this Agreement and any of the incorporated Exhibits, the City, in its sole discretion, shall determine the terms and/or document(s) which shall prevail and take precedence, except for those terms relating to the scope of the work or pricing, to which such terms this section shall not apply;

27. NON-WAIVER. The failure of the City to insist upon strict performance of any of the terms, conditions or covenants herein shall not be deemed a waiver of any rights or remedies that the City may have; and shall not be deemed a waiver of any subsequent breach or default of the terms, conditions or covenants herein contained. The City reserves the right to require strict compliance therewith at any time, with or without notice, except as may be otherwise required herein.

CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by [Sections 4a-60](#) and [4a-60a](#) of the Connecticut General Statutes; and, when the awarding agency is the State, [Sections 46a-71\(d\)](#) and [46a-81i\(d\)](#) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at [Section 46a-68j-21 through 43](#) of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by [Sections 4a-60](#) and [46a-71\(d\)](#) of the Connecticut General Statutes.

According to [Section 46a-68j-30\(9\)](#) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in [Section 4a-60](#) of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of [Section 32-9n.](#)” “Minority” groups are defined in [Section 32-9n](#) of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by [Section 4a-60g](#) of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of [Section 46a-68j-21\(11\)](#) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with [Sections 46a-68-1 to 46a-68-17](#) of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. [See Section 46a-68j-30\(10\)\(E\)](#) of the Contract Compliance Regulations.
