<p>Director of Public Safety, Health, and Welfare Mr. Louis DeRubeis</p>	<ul style="list-style-type: none">• Immunizations – COVID-19 vaccines manufactured by Moderna and Pfizer that include the most current variants have been approved by the FDA. These new vaccines will be covered by health insurances for insured individuals and are available free of charge to uninsured / underinsured individuals at pharmacies and will be available (as soon as we can acquire them) at the Health Department Clinic. Grant funding not available for the purchase of these vaccines at this time. Vaccines will be free for uninsured / under insured individuals and those who are insured will be referred by case managers where to go for vaccination. Current vaccines have been discontinued.• Infectious Disease(s) – COVID-19. Slight uptick in cases. 76 active cases. 5.7 rolling average for every 100,000 persons.- COVID-19 Case Management team – Monitors outbreaks in nursing home facilities and schools, especially particular classrooms where outbreaks may have originated from. A meeting between state DPH and state Department of Education scheduled for Friday, September 15, 2023, regarding providing guidance in the area of school outbreaks.• Spoke in remembrance of Reverend Thomas Jackson’s passing due to a traffic accident involving a police officer. Investigation led by the CT State Police. <p>Staffing:</p>
