### **CITY OF STAMFORD CITY-WIDE PARKING STUDY:**

The Stamford City-Wide Parking Study was initiated in February 2020, just prior to the start of the COVID-19 pandemic. Whereas the pandemic affected some of the original work tasks and the study schedule, the overall goals of the Parking Study remained as initially planned: **[a]** undertake a City-wide parking assessment with a focus on key neighborhoods - Downtown, South End, West Side, Glenbrook and Springdale; and **[b]** develop a set of data-based recommendations and implementation strategies to strengthen the City’s parking resources and requirements. As the study evolved over the 3-year period an additional need became apparent which was to assist the City of Stamford in dealing with the consequences of the COVID-19 pandemic on its parking system usage.

Next regularly scheduled Planning Board meetings are:

- January 30, 2024 (Regular Meeting)
- February 13, 2024 (Regular Meeting)
