Stamford, CT 06365

Dear Mr. Petise:

Subject: RFP# OTR0126-23-R-12883: Connecticut Department of Transportation Microtransit Pilot Program

Thank you for your participation via your company's response to the Request for Proposal (RFP) referenced above. Our evaluation committee has conducted a comprehensive review of the proposals received and has evaluated each in accordance with the criteria outlined in the RFP.

Congratulations; your organization has been selected to participate in the CTDOT Microtransit Pilot Program. The City of Stamford will receive a maximum award of **\$2,558,239.66** to provide microtransit service as proposed.

Mark Goodale will contact you shortly to discuss the next steps for the contract process. If you have any questions regarding this correspondence, please feel free to contact me. We are looking forward to a successful working relationship with your company.

In addition, the CTDOT is taking steps to strengthen its support for microtransit. As part of this effort, it is making resources from its statewide Travel Demand Management Program (TDM) CTrides available to all microtransit operators in Connecticut. CTrides can offer valuable assistance in marketing, communications, and outreach to promote your microtransit program. It has already supported successful initiatives such as River Valley Transit XtraMile service and Norwalk Transit Wheels2U program.

Sincerely,
