

Stamford Bombers - Coach Selection Procedure Summary

Coaches vetted by Kurt Semmel for competency and then approved by Kurt and the Board.

The AAU has partnered with the Positive Coaching Alliance to provide all coaches with the proper education.

All AAU coaches must pass a background check (included with membership) and take mandatory coaching classes. These classes are:

- LEVEL 1: Double-Goal Coach I: Coaching for Winning and Life Lessons
- LEVEL 2: Double-Goal Coach II: Culture, Practices, and Games
- LEVEL 3: Double-Goal Coach III: Developing Triple-Impact Competitors

Parents are encouraged to take this course so they may learn what a positive coach should be doing.
