

PROJECT UPDATE
PERNA LANE AREA SEWER PROJECT
April 26, 2024

- The bid has been awarded to The Grasso Companies, LLC.
- Bonds and certificates of insurance have been submitted.
- Agreements have been signed.
- Grasso has applied for a CTDOT Road Encroachment Permit for work on High Ridge Road and City permit for the other streets.

Grasso will have its surveyors onsite **Tuesday April 30 and Wednesday May 1** (weather permitting) starting layout. They should be onsite between 7 – 7:30 am. They will be starting at the Perna Lane and High Ridge Road intersection and performing layout thru the local roads.

Once there is enough survey laid out, Grasso will start saw cutting the pavement.

WPCA will have a representative on site full time to observe the construction.

Homes **CANNOT** connect to the new sanitary sewer system until the sewers and pump stations are completed, tested, and accepted. Based on the schedule provided, this will not be before May 2025.

Updates will be posted weekly on the WPCA website at:

<https://www.stamfordct.gov/government/operations/water-pollution-control-authority/perna-lane-sewer-project/-folder-2132>.

If you have any questions or comments please contact Ann Brown, Supervising Engineer, at (203) 977-5896 or abrown2@stamfordct.gov.

Thank you, in advance, for your cooperation and patience.
