

**NOTICE OF PUBLIC HEARING
ENVIRONMENTAL PROTECTION BOARD**

**Amendments to the Inland Wetland and Watercourses Regulations
of the City of Stamford**

The Environmental Protection Board of the City of Stamford (EPB), in accordance with Section 22a-42a of the Connecticut General Statutes and Section 15 of its Inland Wetland and Watercourses Regulations, will hold a public hearing to consider amendments to Stamford's Inland Wetland and Watercourses Regulations on **Thursday, June 13, 2024 at 7:30 pm** via the Internet and conference call. The Zoom Meeting ID is 818 3159 9119 and the Passcode is 061324; the conference call phone numbers are 1-646-931-3860, 1-646-558-8656, or 1-301-715-8592.

The proposed amendments are on file and open for public inspection during regular business hours in the EPB office on the 7th floor of the Stamford Government Center, the office of the Stamford Town and City Clerk, and the main branch of the Ferguson Library. The proposed amendments can also be viewed on the EPB webpage at the following address:

<https://www.stamfordct.gov/government/operations/environmental-protection-board>

Signed, written comments pertinent to this matter may be submitted to the EPB office for distribution to the EPB members by the close of business on June 12, 2024. Comments may also be presented in person at the hearing. All persons are invited to attend the public hearing and be heard via the Zoom Meeting or conference call.
