## Environmental Protection Board

### MEMORANDUM

June 17, 2024

To: Environmental Protection Board

From: Robert Clausi, Executive Director 

Subject: Withdrawal of Cease & Desist Order and Notice of Violation  
71 Wood Ridge Drive / Allan Williams

---

The unauthorized deposition of logs and other landscaping debris in 2016 adjacent to a brook that runs behind 71 Wood Ridge Drive that resulted in issuance of a Cease and Desist Order and filing of a Notice of Violation on the Stamford Land Records (Vol. 11789, Pg. 91) has been resolved.

Staff therefore recommends the Board lift the Cease and Desist Order and discharge the Notice of Violation by filing a notice of compliance on the Land Records.
