Appoints accomplished Stamford attorney to cabinet

STAMFORD, CT – Mayor-Elect David Martin announced Tuesday the appointment of Kathryn Emmett to Director of Legal Affairs, the first new cabinet member of the incoming administration to be named. Emmett will replace Joseph Capalbo II, effective December 1.

“Kathy has earned a sterling reputation throughout her legal career and she will bring a wealth of experience to the Government Center as Director of Legal Affairs,” Martin said. “She will be an invaluable addition to my cabinet and I am delighted to work with her.”

Emmett, a graduate of Harvard College (Radcliffe College) and Yale Law School, served Judge of the Connecticut Superior Court from 1982 to 1988 and in 1989 was a founding partner of her law firm, Emmett & Glander, located in downtown Stamford. She was featured as one of the top 25 attorneys in New England in the 2012 edition of Super Lawyers magazine.

In addition to an accomplished legal career, Emmett serves on the Board of Trustees of the Ferguson Library and as a member of the Board of Commissioners of the Stamford Downtown Special Services District. Emmett lives in North Stamford with her husband, also a Stamford attorney, David Golub.

A biography of Kathryn Emmett, available on the Emmett & Glander website, is attached. A copy of the cover story in the 2012 edition of Super Lawyers is also attached.
