# COVID-19 Restrictions for Businesses

## All Businesses/Organizations (March 19<sup>th</sup>)

- Capacity limits are now up to 100%, subject to social distancing requirements (unless otherwise noted). However, it is the right of the operator/owner if they choose to operate below 100% capacity.
- 6 ft. spacing and social distancing continues to be required where possible (unless otherwise noted).
- Masks continue to be required in all public settings where social distancing is not possible.
- All establishments must follow [CDC Cleaning and Disinfecting guidelines](#).

# COVID-19 Restrictions for Businesses

## Effective May 1, 2021:

- Bars that do not serve food can open for service on an outdoor-only basis. These establishments will still be prohibited from serving only alcohol indoors.
- The 8-person per table limit will be lifted for outdoors only. This limit will remain in effect for indoor service.
- The curfew for restaurants, entertainment venues, recreation venues, and theaters will be moved back an hour to midnight.

# COVID-19 Restrictions for Businesses

## Effective May 19, 2021:

- Contingent upon sufficiently low rates of infections and increasing vaccination rates, all remaining business restrictions will be lifted.
- The Department of Public Health will issue recommendations for indoor and other large outdoor events, such as concerts, as well as clarify where masking will continue after May 19.

# SBA Grants – Restaurant Revitalization

- SBA may provide funding of up to \$5,000,000 per location (not to exceed \$10,000,000 total) for Applicants who meet eligibility requirements.
- The minimum funding amount will be \$1,000.
- For example, if Applicant X has a reduction in revenue of \$2,000 but has a PPP loan for \$1,500, the Applicant's application will not be approved for processing and funding because the net funding calculation is less than \$1,000.
- The Restaurant Revitalization grants program website is up.
