I. Once we get the new financial advisor we will have them assist us with one (1) provider for the 457 instead of three which are ICMA, Nationwide and Mass Mutual.

J. Security Workers – They are making their current contributions and the catch up contributions.

K. At the October 23, 2014 Personnel Commission approved a policy on how you treat breaks in service.

L. Clemon Williams - I still have one (1) employee coming to me about her time as a paraeducator prior to coming into the Plan in 2002. I told her I can't do it.

The Trustees said to tell this employee no.

M. Clemon Williams – You pay into the plan for 33 years. Example – Employee worked 32 years and bought military time they could exceed the cap. We don't stop pension deductions if you bought additional time. Since you are in negotiations you might want to add language in your contract that you max out.
