**Investment Update and Recap of Board of Finance Meeting**

John Oliver Beirne reviewed the current performance of the Fund.

Beirne is continuing to move the Fund investments to fall in line with the investment policy guidelines. The broad policy guidelines for the Fund are in range. Within sub-asset classes, the Fund continues to be overweight in U.S. equities which are outperforming their benchmarks, and underweight in international equities. The reallocation process continues to be a work in progress as asset classes that the Fund is over-invested in continue to outperform.

Beirne's presentation concluded with a recap of the recent Board of Finance presentation. Chairman Golden expressed his feeling that our presentation was very well received amongst the Board of Finance members.

**Pension Trust Agreement Document Update**

Chairman Golden updated the Board on the ongoing project with Attorney Underberger updating the 1971 Pension Trust Agreement and the 1997 document. Trustee Anderson has started the preliminary unpacking of the documents, and has reached out to Attorney Underberger with questions as he gets underway with the task.

**Investment Custodian and Pay Agent Services RFP**

Three of the original four finalists for the above mentioned services remain viable options. Wells Fargo, US Bank, and Northern Trust all presented adequate packages. Wells Fargo currently provides pay agent services

for four of the five Funds within the City, excluding the Firefighters Pension Fund. The Firefighters Pension Fund currently uses the City of Stamford as the Pay Agent, and Fidelity as the Custodian. The Stamford Firefighters Pension Fund is largely satisfied with the Custodial Services that it currently receives from Fidelity. The Board did recognize a substantial cost savings in moving from the City's servicing on the Pay Agent side. The Fund currently spends approximately \$25,000 to the City of Stamford annually for pay agent services, whereas Wells Fargo is offering a similar, if not improved level of service for roughly ¼ of the cost. The Board agreed, at the behest of Trustee Gold, to review the full array of services provided by Wells Fargo as both a pay agent and custodian, and consider revisiting the potential change in the June meeting.
